Subject: Follow-up from our April 11 meeting – Thank you and contacts

Dear Mr. Chapman,

I hope this message finds you well.

I wanted to sincerely thank you for taking the time to meet with us and for your openness during our discussions. It was a real pleasure to connect with you, to share who we are, and to speak about the realities and challenges we face.

We truly appreciated your attentive listening and your interest in our work.

If possible, we would be grateful if you could share the contacts you mentioned for the former mayors of Abbotsford. We would also greatly appreciate it if you could help connect us with the current Mayor of Surrey.

Thank you once again for your time and support.

Warm regards,

Marie-Pierre Lavoie
