

## REQUEST TO AMEND THE SCHOOL ACT AND BC REG. 212-99

### Introduction

The purpose of this document is to respectfully seek an amendment to the School Act and BC Reg. 212-99 regarding election procedures for electing a Board of Regional Trustees for Conseil scolaire francophone de la Colombie-Britannique.

Like any Board of Education in British Columbia, Conseil scolaire francophone de la Colombie-Britannique is governed by a Board of Trustees. The Board is comprised of seven (7) Regional Trustees, since the CSF is a provincial board of education.

The CSF trustees' elections take place at the same time as municipal and other board of education elections. However, the election of trustees from across the province, as opposed to municipal based elections, means that the CSF faces certain challenges, challenges that the school Law anticipated and as such remediated by providing the CSF with a legal framework: a membership based electorate, a longer time frame allotted to a member for voting purposes and the possibility of electronic elections.

The purpose of the proposed amendments is two fold:

1. streamline the election process for Francophone Education Authority in light of technical and communication developments since de mid-90's at which time that part of the School Act and BC Regs were created;
