Dear Roger Hébert:

Re: Notice to CSF of SD48 Decreasing Space Availability in Squamish

As you are aware, the Conseil Scolaire Francophone (CSF) program is currently leasing space at Garibaldi Highlands Elementary School (GHE) in School District No.48 (SD48). Up to this school year there has been adequate space for both the students of GHE and CSF to share that school site.

Due to increasing enrolment at GHE, more classroom space will be required by SD48 for the 2014/2015 school year. This space constraint is predicted to become exacerbated over the following years. In order to address the predicted space issues for 2014/2015, SD48 will require your program to consolidate classes for 2014/2015. Further to that, SD48 will require the remaining classrooms occupied by CSF at GHE for 2015/2016 school year.

With all of this in mind, please accept this as your notice to consolidate the CSF program at GHE for 2014/2015 by one classroom space, and further, to find an alternate site for the CSF program by July 15, 2016.

School District No.48 is also experiencing increased enrolment across our Squamish area schools. However, despite these space constraint issues, we are requesting a meeting with you on Friday March 14, 2014. We are hopeful that we can discuss opportunities to support you in this matter by exploring a mutually agreeable solution to your space challenges. We look forward to hearing back from you to confirm this meeting date.

A handwritten signature in blue ink, appearing to read "Rick Price", is written over the text of the letter.

Sincerely,
