Dear Ms. Lapierre,

We are writing to ask you to support the request of Ecole des Pionniers to be part of the pilot project of having 4 year olds starting school in [September 2016](#). There is much demand for this and we believe it's important for a large school to be a part of the pilot in order to get a more accurate assessment. As an elected school trustee, we are asking you to support our request.

Sincerely,

Angie Lim & Etienne Beaudoin
