Your Honour:

The Conseil scolaire francophone de la Colombie-Britannique is a public board of education providing services to more than 6,000 students, at the primary and secondary levels, in 40 schools, in as many communities throughout the province. Its mission is to inspire its community of learners through innovative education, through a shared and thriving Francophone culture, and through the acquisition of essential life skills that will guide them into the future. Eligibility to attend CSF schools is governed by the *School Act* and section 23 of the *Canadian Charter of Rights and Freedoms*.

It is with great pleasure that the Board of Trustees of the Conseil scolaire francophone de la Colombie-Britannique congratulates you on your appointment to the position of Lieutenant Governor of British Columbia.

However, it is with regret that we have been informed that we will not have the honour of your presence for the graduation ceremony of our 2018 cohort. Could we be optimistic about the honour of your presence for the 2019 graduation ceremony for our CSF students, which would normally take place the second or third weekend of June? Please allow us to contact your office when more detail is available about this important ceremony.

Sincerely,
