

Conseil scolaire
francophone de la
Colombie-Britannique

2021-2026

Strategic Plan

Mission

Inspire school communities through a living Francophone culture while ensuring that students acquire the essential skills they need for life and for the future

Vision

Engaged students and communities, a flourishing Francophonie

Values

Collaborate, engage, innovate

Strategic results

Recruitment and retention

The CSF is a top-ranked learning environment, partner and employer.

Inclusion

Inclusion and caring at the CSF allow each individual to fit in and thrive.

Pillar : our students

INTERMEDIATE RESULTS

Recruitment and retention

Teaching methods are engaging and accessible to everyone.

Students have a sense of belonging and contribute to the development of a Francophone community that is unified in its diversity.

Inclusion

Students with diverse needs are included as equal community members in a safe school environment that is adapted to their situation.

Indigenous students are welcomed in an inclusive, culturally appropriate school environment that promotes their academic success.

Students from diverse backgrounds are welcomed in an inclusive school environment that promotes their academic success.

Pillar : our staff

INTERMEDIATE RESULTS

Recruitment and retention

Staff have a sense of belonging and contribute to the development of a Francophone community that is unified in its diversity.

The CSF talent acquisition process is proactive, attentive to the school community, and meets its needs.

Inclusion

Staff are equipped to meet students' needs and respond to the realities of the local community they serve.

Staff are welcomed in an inclusive school environment that values diversity.

Pillar : our families and our communities

INTERMEDIATE RESULTS

Families are proud of the quality of the education provided and recognize the added value of CSF schools.

Each school community participates in the development of the strategy for expanding Francophone education, collaborates on its implementation, and adapts it to their own reality.

CSF alumni contribute to school life and the development of the CSF.

CSF schools collaborate with local indigenous communities to enrich the educational experience of all students and anchor the school in its geographical and ecological environment.
