

The 15th of June 2017

Mme Marie-France Lapierre
Présidente du conseil d'administration
Conseil scolaire francophone

Madame,

In the name of the union local SCFP 4227 representing the support staff at the CSF, I would like to express our strong support to the CSF seeking amendments to the School Act BC Reg. 213-99 and 212-99.

We agree that the proposed removal of Surrey and Delta from the Greater Vancouver Ward and moving them to the Fraser Valley Ward would create a fairer distribution in the number of members for each Trustee. It would also allow parents to vote for the catchment of their child's school ensuring a fairer and more representative vote.

We also support the changes proposed to streamline the electoral process for the Francophone Education Authority and to clarify the status of a candidate's residence at the time of candidacy.

Please do not hesitate to contact me if I you need further clarification on our position on this matter.

Respectfully,

Francine Brisson
President
SCFP 4227
