Re: Request for a meeting

Dear Minister Bernier:

I acknowledge receipt of your letter dated current March 31 and thank you for taking the time to write to me. As you state so well, it is essential for the school community of École Rose-des-vents to secure a future school site.

CSF has been working on that project for a very long time and cannot come to fruition without your support. École Rose-des-vents is overpopulated, the school yard is inexistent because of portables and a temporary dome structure that serves as a gymnasium; some of our students have to attend school in a church facility not purposed for educational services.

Although CSF have been actively searching for a tangible resolution to this situation for many years and have been working closely with ministry staff for as long, I respectfully request a meeting with you, at your earliest convenience, to discuss this matter further.

I thank you for considering this request and I look forward to hearing from you.

Sincerely,
