**METRO BRANCH SPECIAL MEETING - MOTION BUILDING
WEDNESDAY, NOVEMBER 20TH
INGLEWOOD LEARNING CENTRE
1735 INGLEWOOD AVE, WEST VANCOUVER
10:00 AM Coffee and Muffins
10:30 AM Meeting begins**

Hi everyone,

Save the date!

Here is early notice for the Metro Branch Motion Formation Meeting so members have time to discuss if their boards have any motions they would like to propose come forward as a branch motion to be submitted to the 2020 BCSTA AGM.

This meeting is solely concerned with the formation of a process to support Branch motions and any proposed motions. It will take place on the morning of November 20th, which is our usual spot for branch meetings (3rd Wednesday of the month). The official Metro Branch meeting for November will take place at Academy (November 30th).

RSVP's will be requested from District Board Chairs letting us know how many of their trustees will attend by November 15th. Currently, the meeting is booked to take place in West Vancouver, but may be moved depending on who is able to attend.

If you have any questions, please reach out anytime.

Thanks,

Metro Branch Executive
Laura Dixon (Chair), Bob Holmes (Vice-Chair) and Nicole Brown (Secretary)

MOTION FORMATION MEETING AGENDA

1. Set out a Branch Motion process

- a. Formalize a process for future years by coming out of this meeting with a recommendation to be brought to the Nov 30th branch meeting at Academy.

- b. Further, there may be a proposal to embed this process in our bylaws at the Branch AGM in February.

2. **Branch motions for the 2020 AGM**

- a. If your district has a motion you'd like Metro branch to bring forward, this is your opportunity. Any motions from this meeting will be brought to the November 30th meeting for approval to submit as a branch motion as this is when we have the most trustees in attendance.
- b. Please keep in mind that a motion put forward by Metro Branch is still subject to the deliberations and vote of the full assembly and therefore is not binding on individual Metro members.

3. **Motion Building and Advocacy Support**

- a. We will plan on having support on November 20th from BCSTA Legislative Committee that may help with branch or individual district's motion development.
