**Email: [mariepierre\\_lavoie@csf.bc.ca](mailto:mariepierre_lavoie@csf.bc.ca)**

Dear Ms. Lavoie:

I write in response to a letter of October 19, 2018, signed by former chair Marie-France Lapierre, regarding a Ministry of Transportation and Infrastructure (TRAN) project adjacent to Ecole de Voyageurs de Langley.

As requested in the October 19, 2018 letter, I have asked Ministry of Education staff to contact Conseil Scolaire Francophone's Secretary Treasurer, Sylvain Allison, to discuss this matter. I have also asked Ministry staff to follow up with TRAN staff to better understand the nature of their adjacent project along 216<sup>th</sup> Street in Langley.

Should you have any further questions or concerns, please contact Ryan Spillett, Director, Capital Projects, by email at [Ryan.Y.Spillett@gov.bc.ca](mailto:Ryan.Y.Spillett@gov.bc.ca) or by phone at (250) 882-3699.

Again, thank you for writing.

Sincerely,

A handwritten signature in black ink, appearing to read "Rob Fleming". The signature is fluid and cursive.
